

ARRIVAL AND DEPARTURE

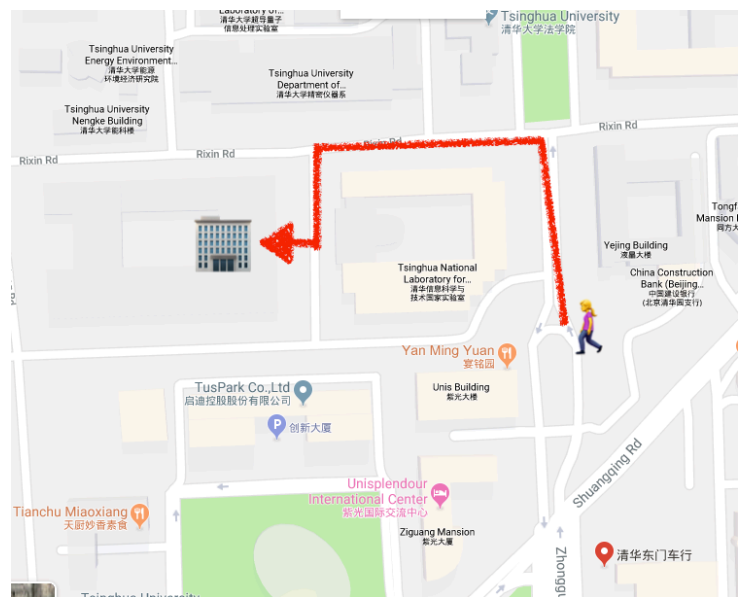

海淀区清华大学李兆基科技大楼（清华东门）

I. Before Takeoff

1. All Google services (i.e. Maps, Play Store, etc.) are blocked in China. Be sure to download the maps and directions you need to local storage before you depart for Beijing. Consider downloading an alternative map app for China.
2. Tsinghua dorm check-in is available from 7am to 11pm every day. If you arrive outside this window, you'll need to make special arrangements (try to avoid this).

II. Getting to Campus

2. Before leaving the airport, get cash if you don't already have some. You'll need approximately RMB 200 to get from the airport to campus by taxi (the average fair for this trip is around RMB 130). You'll need RMB 600 total for the day. Don't be afraid, China is a lot less expensive than this, it's just day zero.
3. Proceed to the taxi stand and provide your driver with the address in the box above at top of the page or feel free to take a bus if you're feeling adventurous.

There are several locations on campus at which you can buy groceries and other essentials. The three locations below should have most of what you need. For everything else, check out the Lotus or BHG supermarkets off-campus.

- **Student Supermarket** 学生超市·清芬食堂近
